

UPES and Bajaj Auto partners to establish BEST centre for upskilling engineers

UPES and Bajaj Auto Limited entered into a partnership to train engineering students – graduates, and diploma holders – in emerging 21 st century technologies. Under

this partnership, Bajaj Auto will set up an advanced Bajaj Engineering Skills Training (BEST) Centre at UPES as part of their CSR commitment. "At UPES, our commitment to providing quality education and preparing students for the industry remains unwavering. This partnership marks a significant milestone in our mission to empower students with the skills and insights essential for innovation and problem-solving. Our meticulously designed programs immerse students in cutting-edge technologies, enabling them to master the tools that will shape the future," stated Dr. Ram Sharma, Vice Chancellor, UPES.
