Guidelines – Before the Assessment

- ✓ Students can write their examinations by using their Laptop / Desktop at a specified time. Webcam connectivity is a must during the examination.
- ✓ Check 'System Specification' document and install Mobile App/SAB tool
- ✓ Students are required to ensure that both Webcam and Microphone are working properly
- ✓ If you have a laptop but suspect that uninterrupted internet connectivity is questionable in your area, it is recommended that you use your phone's hotspot to provide either a primary or a backup connection to your laptop.
- ✓ Google Chrome browser (latest version) must be installed in Laptop/Desktop/Phone.
- ✓ Students are advised to use the same Desktop/Laptop/Phone which is used for mock test for the actual exam so that any issues faced will have been experienced and resolved in the System-Check Test

Guidelines – On the day of the Assessment

- ✓ Please sit in a quiet room with no background noise or people around.
- ✓ Ensure proper lighting in the room – Source of light must not be behind you.
- ✓ Please ensure the wall behind you has a plain background with no objects hanging on it.
- ✓ Plan to start your system on the test day 15 minutes before the scheduled time. Start Assessment on time, you will not be allowed to appear after the scheduled time
- ✓ For the entire duration of the assessment, please remain seated in front of your webcam
- ✓ If you face any technical issue during the assessment, please refer to the FAQ Document. If not resolved, then contact your placement coordinator via email/call/message from another device
- ✓ Student should not indulge in any malpractice while writing the exam. Any misconduct observed by the proctor will be recorded and filed against you, which may lead to suitable disciplinary action.
- ✓ If you are taking the test from Mobile, then turn-off your message/call/App notification - If you open your notification during the assessment, it will be counted as a **violation**. After the certain number of warning, System will **Logout your assessment**.

Guidelines – On the day of the Assessment

Do not sit in poor lighting

Do not look sideways during the assessment

Do not leave your seat during the assessment
